CRUISES

What could be more pleasant on a hot summer's day than a lazy cruise with a cooling breeze on your face, relaxing and watching the scenery float by?

Ontario's lakes and rivers have got just the cruise for you anything from a brief half-hour trip to a day-long excursion - or even a five day vacation.

This guide lists the various scheduled cruises available. For your convenience they are arranged according to Ontario's 12 regional travel association areas, the boundaries of which are indicated on the map on the following page.

Each area's listings indicate the waterways as well as the communities the cruises operate from.

Most cruises operate on a daily basis during July and August, and a considerable selection is also available in the spring and fall, though schedules may be restricted.

PLEASE NOTE THAT RATES AND SCHEDULES ARE SUBJECT TO CHANGE.
TO AVOID DISAPPOINTMENT WE URGE YOU TO CONTACT THE CRUISE
